Perhaps the most serious point to be pondered is that, if Othello is to retain our sympathy sufficiently. Berry called for further research to expound on the relationships between the four acculturation strategies,

assimilation, separation, marginalization, and integration, and the three major types of coping,

problem-focused, emotional-focused, and avoidance coping. Though Van Till vigorously opposes the modern notion of scientism,

his definition of science opens the door to it. I intended to provide better supports to the teaching teams in

cross-classroom collaboration as related to inquiry-based practices and student support.
