The result suggests that production of newsprint would have to cease after three and a half months if only recovered fiber were used. Daniel Hofiinan, whose piece of gobbledygook is quoted above, also remarks more sensibly that in Eureka Poe uses a mathematical vocabulary to establish an aesthetic principle. Eventually as the famine continued, and the Egyptian economy became endangered, Joseph established a just arrangement with the people, where they were supplied with seed and would return one-fifth of their crops to the Pharoah.
