These included: a A general Anglicisation of the Colony and the community: i the settlers chose to live according to their own customs, values and laws; ii English schools were established and teachers with an English education were appointed in these schools; iii Scottish ministers were

imported to occupy the vacancies in the reformed churches; and  
iv trade was ruled by English merchants and many English  
customs took root in the Colony. However, the truth is there  
is no catch.
