Femford School For Girls (Part One)

Full of irony, dazzling visual effects, sly allusions to pop culture, historical references, and various collaged parts juxtaposed together, the "low" visual arts have recently ascended to a central place in contemporary society, even if much of this design is ultimately shallow-all sizzle and no steak. The Institute's primary goal is to act as a leading forum for research and analysis and to stimulate informed discussion of international affairs, particularly with regard to those issues which are most relevant from a spanish perspective, and which will be of interest to policy-makers, business leaders, the media, and society at large.
