## **Spiritual Growth and Care in the Fourth Age of Life**

Mazurkewich has investigated art forgery, interviewed countless collectors, grilled innovative businessmen and queried tradesmen all in a quest to better understand antiques and manufacturing in Asia. In todays context of urban areas development and because the number of industrial installations and collective equipments is increasing, the protection against this natural disaster even for small magnitude earthquakes is becoming a more and more important task.

## **Spiritual Growth and Care in the Fourth Age of Life**

Mazurkewich has investigated art forgery, interviewed countless collectors, grilled innovative businessmen and queried tradesmen all in a quest to better understand antiques and manufacturing in Asia. In todays context of urban areas development and because the number of industrial installations and collective equipments is increasing, the protection against this natural disaster even for small magnitude

earthquakes is becoming a more and more important task.
