We now know that the DNA of Adam and Eve was easily capable of containing all of the information needed to code for every diverse, physical characteristic that we see in humans today. On pense ici aux syndicats, aux corporations et aux partis politiques en particulier. It is not merely that a gothic horror balances

the quest for innocence in Gordon Pym ; such a balance is the standard pattern of all highbrow Westerns: of Moby Dick in which the sinister figure of Fedallah confronts the beneficent one of Queequeg; and even of Huckleberry Finn in which the threat of Pap's ignorant spite and the shadow of slavery define by contrast the pure peace of Jackson's Island and the raft.
