But as scrutiny of critical theory and practice reveals, the relation is precarious and beset with interpretive pitfalls: while in many instances the The Wonderful Wizard of Oz [Illustrated] arts are virtually inseparable, there are also apparent correlations that ultimately prove to be illusory or at best metaphorical. The only method of instruction, perhaps, of which the State can avail itself, consists in its declaring the best course to be pursued as though it were the result of its investigations, and in enjoining this in some way on the citizen.
